of the Marine Technology Society.

Presented by:

MTS Dynamic Positioning Technical Committee

Committee Chair Howard Shatto, *Shatto Engineering*

Conference Chair Don Weisinger, *bp*

Vice Chair Chuck Richards, *C.A. Richards & Associates*

Using this CD

This CD contains copies of papers presented at the MTS Dynamic Positioning Conference, held in Houston, September 18-19, 2001. Manuscripts are arranged according to session, with an abstract of the manuscript when available. To access an abstract or full manuscript, click on the session from the directory on the left, then click on the paper you are wish to view.

While reviewing an abstract, you can use the "[Click here to review the complete paper](#)" or "[Click here to return to the Session Directory](#)" navigation aids. While reviewing a paper, you may return to the session directory by clicking on the "[Return to Session Directory](#)" aid which appears at the top right hand corner.

Disclosure

The Marine Technology Society cannot be held responsible for the opinions given and statements made in any of the manuscripts contained on this CD. Responsibility for the contents rests with the authors.
